CODE OF CONDUCT: PARENTS

As a parent of Durbanville Football Club you play a special role in the development of your child and his/her team mates. Your encouragement and good example will do more to ensure good sportsmanship and self-discipline than any other influence. The other team is the opponent, not the enemy, and should be treated with respect. While winning is important, playing well and fairly is the essence of the game.

1. Support your Child

Support your child by giving encouragement and showing an interest in his/her team. Help your child work towards skill improvement and good sportsmanship in every game.

2. Always be Positive

Children learn more by example than by criticism. Work to be a positive role model and re-inforce positive behaviour in others. Applaud good plays by others in your child's team as well as good plays by the opposing team. Do not criticise any child's performance from the side lines. Accept the results of each game. Teach your child to be gracious in victory and to turn defeat into victory by learning and working toward improvement.

3. Don't be a side line Referee or Coach

Refrain from coaching or refereeing from the side line. Parents who shout or scream from the side lines often give inappropriate advice at the wrong time. The coach should be the only side line voice. Remain well back from the side lines and within the spectator area. You and your child will enjoy the game more if you put some emotional distance between yourself and the field of play. Officials are symbols of fair play, integrity and sportsmanship – do not openly question their judgement or honesty.

4. Demonstrate a Positive Attitude towards your opponents and their Families

Opponents are not enemies. Take care to show hospitality at home and to represent DFC in a positive manner when visiting other clubs. Never allow yourself to be drawn into a verbal disagreement with opposing parents and coaches. No one has ever regretted letting "cooler heads prevail".

5. Remember that your child wants to have fun

Your child is one playing football, not you. Children must establish their own goals – to play the game for themselves. Take care not to impose unreasonable demands on your child. Let your child experience the fun of playing as well as the challenge of excelling.

I/we will set a good example to our child in his/her football development by adhering to all times to the following:

- ❖ We will not criticise the referee openly or directly during or after games. Any criticism shall be done in writing to the coach and copies to the Club Captain or Junior Chairperson.
